

LOST OR STOLEN CARD

Losing a card can be stressful, replacing it shouldn't be. Security State Bank strives to provide you ease of mind with multiple options for safeguarding your personal information and finances.

OPTIONS & RECOMMENDATIONS

If you've temporarily misplaced your debit card, an immediate solution would be for you to use CardValet® to suspend your cards' activity until recovered.

For stolen cards, we highly recommend that you suspend our card upon noticing that it is missing. For stolen cards, please call one of the (800) numbers listed below to close your card.

DURING BUSINESS HOURS

To report a lost or stolen card during regular business hours:

- Log into the Security State Bank mobile banking app and temporarily lock your card
- Call one of the (800) numbers listed below
- Contact your local branch for assistance

AFTER BUSINESS HOURS
